## The Annual Quality Assurance Report (AQAR) of the IQAC

All NAAC accredited institutions will submit an annual self-reviewed progress report to NAAC, through its IQAC. The report is to detail the tangible results achieved in key areas, specifically identified by the institutional IQAC at the beginning of the academic year. The AQAR will detail the results of the perspective plan worked out by the IQAC. (Note: The AQAR period would be the Academic Year. For example, July 1, 2012 to June 30, 2013)

### **5. Student Support and Progression**

#### **5.1 Contribution of IQAC in enhancing awareness about student support services**

Under the guidance of IQAC the institution has provided many support services to its students and research scholars. Support services like well equipped laboratories, Library, UGC-Network Resource Centre, Study Room, Internet connectivity, Language Laboratory, Audio-Visual Room, Ladies Common Room, Health Centre, Canteen, Tutor Ward Scheme, Remedial Coaching Services, etc. contribute immensely towards enhancing the quality of education imparted in the institution.

Support services available in the institution are notified to the students through notice boards, prospectus, college website, advertisements, etc. Committees like Publicity Committee, Website Committee, Feedback Committee, associations like Ladies Association, Vivek-Vahini, Literary Associations, Science Forum, etc. play their roles effectively in making awareness about these support services to their stakeholders. IQAC in the institute encourages, supports and

supervises consistently on all these committees and associations in making awareness about above mentioned support services.

### 5.2 Efforts made by the institution for tracking the progression:

Institute has established various committees, cells and associations for performing particular work as per plan determined under the guidance of IQAC for evaluating and tracking the quality of education and overall progress of students and faculty members. Statutory committees like Special Cell Standing Committee, College Examination and Evaluation, Students Council, Library Advisory Committee, etc. are in force. Administrative committees like Admission and Attendance Committee, Tutor Ward Committee, Feedback Committee, etc. are always engaged in tracking the students' progress in their respective field. Periodical meetings of these committees are held and performances of their activities are discussed therein and results are reported to IQAC. Institute has practice to take regular feedback from the students, faculty members and alumni/ visitors. This practice helps institute to track the progress of academic and non-academic activities. Finally, thorough discussion on semester wise progress is organized in Sahavichar Sabha along with the Governing Body of Mother Institute for appreciation and further improvement.

### **6. Governance, Leadership and Management**

#### **6.1 State the Vision & Mission of the Institution**

##### **Vision-**

Establishment of a senior college at Chandgad was a long cherished dream of our mother institution Khedut Shikshan Mandal (KSM), Kalkundri which came into reality in the year 1998. Keeping the ideals of Mother Institution; College is dedicated to provide quality higher education catering to the needs of society on a par with the changing global trends in recent times.

##### **Mission-**

It is our chosen goal 'To build the post- independent 'New India' in which every individual should have knowledge, character and a sense of service and dedication.' College is determined to strive hard to educate, train and inculcate values in the upcoming generations of the students, capable of contributing the comprehensive development of the region, the Nation and the humanity at large.

#### **6.2 Does the Institution have a management Information System?**

Yes, the institution has well designed management information system. Administrative Dept. of this institution collects, classifies, preserve necessary information from Government, University, UGC, NAAC and offices of Non-Government organization and disseminates the same to all its stakeholders as and when required. All the necessary records are kept systematically in hard and soft form. Apart from direct give and take of related information, institution takes the help of notice boards, prospectus, college magazine and web-site of the college for disseminating the information to the users. Adequate care is taken to see that authentic information is provided all the time. Weekly meeting with mother institute, Monthly meetings with faculty members & staff are useful for exchanging the necessary information with one another. Especially, for public notification local newspapers are used for circulating necessary information and data.

#### **6.3 Quality Improvement Strategies.**

##### **6.3.1 Curriculum Development.**

The institution is affiliated to Shivaji university, Kolhapur and the University has its own procedure to design curricula. The institute encourages its faculty members to participate in workshops and conferences organized for the same at university level. Our faculty members

communicate their observations and suggestion to Board of Studies, which ultimately helps in developing the curriculum.

Our institution, has developed curriculum of two COC courses viz., Certificate Course in Computer Application and Conservation and Cultivation of Medicinal Plants after taking into consideration the local atmosphere, needs and wants of students and scope of job opportunities.

### **6.3.2 Teaching and Learning:**

This institution is committed to its vision and mission statement as well as its aims and objectives. Adequate transparency is maintained in admission process. Care is taken to admit every student applied for. Lectures are arranged to bridge the knowledge gap especially for first year students. Remedial coaching is provided for slow learners and extra guidance is provided for scholar students. Skill development workshops and orientation programmes are being arranged for students, teachers and society. Teachers are always encouraged to utilize modern teaching methods and well established laboratories and library facilities helps in the smooth learning process. Participation in quiz competition and conferences also help to improve teaching and learning process. Thus in true sense the institution has been working as community Development through quality education.

### **6.3.3 Examination and Evaluation:**

To improve the quality of the learner with regard to examination, institution has established separate examination committee. This committee plans its programs in consultation with IQAC in the college and in accordance with the guidelines issued by Shivaji University, Kolhapur from time to time. Adequate transparency is kept in the evaluation of the learner. Apart from summative evaluation, formative evaluation such as home assignments, unit tests, question answers, student project, student seminars etc. are conducted to improve the learners quality, which reflects in good University results and achievement of university merit scholarships.

### **6.3.4 Research and Development:**

The institution has committed to promote the scientific temper among its students and faculty members so as to keep pace with changing educational, social and global scenario. By creating scientific atmosphere and by promoting the use of technology this institution has determined to foster global competencies among the students in this region. For this purpose, institution has established science forum, Nature club, Vivek Vahini, UGC research committee and activities have been conducted on related issues. Institution also has been encouraging its faculty members to undertake Minor and Major research projects, as well as research works leading to Ph. D., M. Phil. Degrees, etc. Student project conducted at Final year are also help to inculcate the research attitude.

### **6.3.5 Library, ICT and physical infrastructure / instrumentation:**

Library being an important infrastructure and learning resource, institution has fully computerized library with library software and provides necessary facilities like LAN, INTERNET, INFLIBNET, e-books, e-journals and UGC - Network Resource Center. Institution has necessary classrooms, equipped laboratories, computer lab, seminar hall gymkhana and spacious play ground. Computers, laptops, projectors, etc. are utilized for effective use of ICT. Apart from funding from financing agencies like UGC, with the support of our Mother institute Khedut Shikshan Mandal, this institute has been collecting donations from the generous people in society which are being utilized for the extension of required

infrastructure. Faculty members and administrative staff also contributes their considerable share in collecting funds for the purpose of infrastructure development.

### **6.3.6 Human Resource Development:**

The institution endeavours to recruit required qualified and competent teaching and administrative staff. The institution has also maintained healthy and conducive atmosphere on campus. Mother institute and this college have been continuously encouraging its staff to participate in faculty development and staff training programmes. Teaching and non-teaching staff are responding well towards this policy of the institute.

### **6.3.7 Faculty and Staff Recruitment:**

The institution strictly adopts plans and implement the policies of Government and Shivaji University, Kolhapur in selecting, recruiting and appointing faculties and administrative staff members. Apart from basic educational qualification, preference is given to their embodied skills and competencies those are required for performing various tasks. Adequate provision and flexibility is maintained to give autonomy in their academic development after recruitment.

### **6.3.8 Industry interaction / collaboration:**

This college has established Career Guidance and Placement Cell to guide and develop the interaction between employers and aspiring candidates in the institute. Placement camps are arranged frequently in campus and needy students are encouraged to attend off campus interview organized by nearby colleges. Before placing the students for job, requirements of employers are asked and accordingly candidates are placed. Further, industrial visits are arranged periodically so as to make aware of industry atmosphere to the students.

### **6.3.9 Admission of Students:**

Since the establishment, institute has a unique policy to provide admission for every deserving student. In recent past flow of students seeking admission for first year degree course is increasing in all disciplines. Therefore admission is being provided purely on merit basis only after taking into consideration reservation policies of Government and guidelines provided by the affiliating university from time to time. To accommodate the students seeking admission in the college, additional divisions are introduced to fulfil the policy of the institution.

## 7.2 Provide the Action Taken Report (ATR) based on the plan of action decided at the beginning of the year.

The institution has practice to frame yearly plan for every academic year and accordingly activities are performed throughout the year. Concerned departments and Committees submit their action taken report/ activities completion report to IQAC, at the end of academic year. The observation of IQAC is that on an average 75% to 80% planned activities are performed consistently.

## 7.3 Give two Best Practices of the institution

### 1) Institutional internal Audit.

The management body conducts institutional internal audit twice in every academic year. Academic, co-curricular & extension activities are placed before experts during interaction. Administrative and financial audit is also done by expert committee. Previous year results are analyzed for every subject during exit meeting with expert. Infrastructure requirement & the difficulties are also discussed. The expert committee discusses the observations and make suggestions to improve the quality.

### 2) Library Facilities

College library offers six books per student per week. Inter-library loan facilities with higher educational institutions existing in nearby taluka helps teachers, research scholars & students to avail needful library resources as well as required guidance from experts. Degree course & certificate course run by library also provide additional opportunity for needy students. Open access services (OPAC) with bar code circulating service as well as online service like Internet browsing, e-books, e-journals, Wi-Fi facilities for students & teachers also helps for smooth and rapid library services. Along with these basic facilities College library also provides news clipping services & reprography services.

## 7.4 Contribution to Environmental Awareness / Protection.
